*Dear Parents/Guardians,*

*Throughout the year we will use a variety of visual aids to demonstrate concepts being discussed in class. On occasion these visual aides will be videos. Videos clips are usually short and always tied to our content. At least once a semester, I will offer an extra credit movie after school that usually runs from 3:30 to 5:50. Attendance for this is optional, but is a way to boost a student's grade and their understanding of the content. **This is a general permission slip for all PG-13 movies.** In the event that you do not wish for you student to view any PG-13 movie, please know that I will offer alternate assignments when the situation necessitates. Anytime that I intend to show a clip of an "R" rated movie, I will send home a separate permission slip on which you must select the movie or an alternate assignment for your student. If you have any questions or concerns about the videos we will view please contact me at [robbie.biddle@fayette.kyschools.us](mailto:robbie.biddle@fayette.kyschools.us)*
